The Concise Argument

We need to talk about imperatives

Jesse Wall

Clinical Ethics

Why it is unethical to charge migrant women for pregnancy care in the National Health Service

Arianne Shahvisi, Fionnuala Finnerty

'Inglan is a bitch': hostile NHS charging regulations contravene the ethical principles of the medical profession

Josephine Mary Katharine Reynolds, Caroline Mitchell

Familial genetic risks: how can we better navigate patient confidentiality and appropriate risk disclosure to relatives?

Edward S Dove, Vicky Chico, Michael Fay, Graeme Laurie, Anneke M Lucassen, Emily Postan

Current Controversy

The 'serious' factor in germline modification

Erika Kleiderman, Vardit Ravitsky, Bartha Maria Knoppers

Feature Article

Moral reasons to edit the human genome: picking up from the Nuffield report

Christopher Gyngell, Hilary Bowman-Smart, Julian Savulescu

Goldilocks and the two principles. A response to Gyngell et al

Peter Mills

The moral argument for heritable genome editing requires an inappropriately deterministic view of genetics

Rachel Horton, Anneke M Lucassen

Commentary on 'Moral reasons to edit the human genome': This is not the moral imperative we are looking for

Sarah Chan

Genome editing, Goldilocks and polygenic risk scores

Christopher Gyngell, Hilary Bowman-Smart, Julian Savulescu

Original Research

Practical allocation system for the distribution of specialised care during cellular therapy access scarcity

Andrew Hantel, Gregory A Abel, Mark Siegler

Medical crowdfunding in China: empirics and ethics

Pingyue Jin

Extended Essay

The significance of 'severity'

Daniel Hausman

Student Essay

Ethical position of medical practitioners who refuse to treat unvaccinated children

Melanie Forster

Response

Should we be afraid of medical AI?

Ezio Di Nucci

No we shouldn't be afraid of medical AI; it involves risks and opportunities

Rosalind J McDougall

The need for feasible compromises on conscientious objection: response to Card

Aaron J Ancell, Walter Sinnott-Armstrong

Two Tragedies Argument: Two Mistakes

William Simkulet

sex abuse

The Pope expresses closeness to victims of monsoon rains  
in India: More than 200 dead and hundreds missing

Lydia: Leader of the first house church in Philippi  
Maria Pascuzzi, CSJ

Dialogue based on trust and committed to solidarity:  
The Pope speaks about the everlasting novelty of  
Christian prayer

A letter of encouragement and support  
Andrea Tornielli

To my brother priests: Pope Francis comforts and thanks  
those who expend themselves in service to God's people

Women of the parables: An overview of female characters  
in the New Testament  
Carolyn Osiek

Violence and redemption: Documentary entitled  
'Flannery' to be released in the US this fall  
Mark Bosco, SJ

Prayers for victims of shootings in US: Pope Francis talks  
about the relationship with earthly goods and warns  
against covetousness, the root of war

The two-way journey: Re-reading Toni Morrison – A  
new collection dedicated to her work  
Giulia Galeotti

The wedge that blocked the system: Toni Morrison and  
the automatism of power  
Carola Susani

D.VA, the Association of Women in the Vatican in  
support of Mozambican children

Women at the forefront of Humanitarian Day

Plastic waste builds schoolrooms in Ivory Coast

War and terrorism are the great defeat of humanity: The  
Pope appeals for the protection of victims of armed  
conflicts

Charity open to all overcomes division and particularism:  
At the Marian prayer the Holy Father talks about the  
first of God's love

*August 30, 2019*

Fraternal reconciliation for lasting peace: Video message to the people of Mozambique, the first leg of his three-nation Apostolic Journey

Never again tragedies caused by hatred: At the General Audience the Holy Father prays for peace recalling World War II outbreak

The sick are not to be discarded, but healed and supported: The Holy Father continues his Catechesis on the Acts of the Apostles

Cardinal Achille Silvestrini passes away

Europe and the duty of solidarity: Discourse by the Vatican Secretary for Relations with States

A world of fraternity and peace is possible: The Holy Father encourages the efforts to spread knowledge of the Document signed in Abu Dhabi

First Fruits: Interview with the President of the Pontifical Council for Interreligious Dialogue  
Alessandro Gisotti
