

2017 | Global Summit

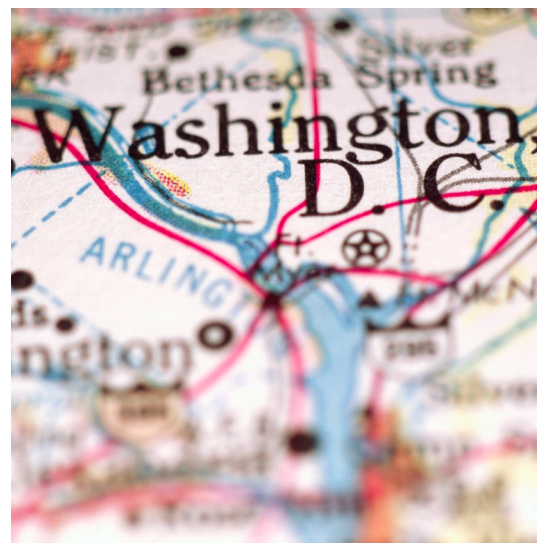

CHA's 2017 Global Summit in Washington, DC, will bring together top leaders from health systems, sponsoring congregations, NGOs, government agencies and other international organizations to provide a networking and educational forum like none other available to those leading Catholic health care and their partner organizations.

BE SURE TO ATTEND THE CATHOLIC HEALTH ASSOCIATION'S 2017 GLOBAL SUMMIT TO ...

- † Gain the unique insights of national and international leaders
- † Learn about successful practices in international outreach
- † Collectively discuss challenges in this work
- † Network at an event that will provide concentrated but critical opportunities to connect with potential partners in outreach activities

WHO SHOULD ATTEND?

- † Senior executives
- † Mission leaders
- † Catholic health care associates with responsibility for
 - International outreach
 - Disaster response activities
 - Medical surplus recovery
- † Sponsors and clinicians doing international mission work
- † Medical surplus recovery organization (MSRO) leaders
- † Non-governmental organization (NGO) leaders
- † Catholic university international program faculty and staff
