

Sponsor Formation Program for Catholic Health Care

“Which of these three, in your opinion, was neighbor to the robbers’ victim?”

He [a scholar of the law] answered, “The one who treated him with mercy.” Jesus said to him, “Go and do likewise.”

LUKE 10:36–37

SPONSOR FORMATION PROGRAM
FOR CATHOLIC HEALTH CARE

CHA's *Sponsor Formation Program for Catholic Health Care* prepares individuals for service as members of Juridic Persons to carry out the health ministry of the Catholic Church.

In addition to a rich grounding in the theological and canonical principles that apply to all sponsorship models, CHA's formation program offers participants opportunities for spiritual development personally and as members of a community who share a deep commitment to advance Jesus' healing mission in the world today.

EAGLEWOOD RESORT AND SPA *in the Chicago area is a peaceful retreat in a beautiful natural setting.*

Overview

OBJECTIVE

To provide a formation program for current and prospective sponsors of Catholic health care.

LOCATION

The program takes place at the Eaglewood Resort & Spa in the Chicago area, conveniently located near the Chicago O'Hare Airport.

FORMAT

The program consists of a series of four weekend sessions in the fall and spring. Each session begins on Friday evening and ends on Sunday morning.

Gatherings focus on developing and enhancing critical competencies for sponsorship through a combination of reflection, participant involvement, group interaction and presentations by nationally recognized ministry leaders and speakers. In addition, preparatory and follow up materials allow for additional learning integration.

CRITERIA FOR PARTICIPATION

Participants in CHA's *Sponsor Formation Program for Catholic Health Care* are selected by a sponsoring organization that is a member of the Catholic Health Association. Enrollment is limited to foster meaningful opportunities for reflection, interaction, networking and learning integration. Current sponsors and persons deemed to have demonstrated potential for possible service as a sponsor receive priority consideration. Other leaders of Catholic health care who interface with sponsors will also be considered for the program.

EXPENSES

Participating organizations share total expenses for the program and accommodation expenses for attendees they refer to the program.
