

Catholic Health Care Serving Washington

CATHOLIC HOSPITAL EMPLOYEES ³

CATHOLIC HEALTH FACILITIES ¹

SERVING VULNERABLE POPULATIONS AND OUR NATION'S SENIORS

Catholic health care has a long history of serving people in need, including those with no access to health care services and the millions of low-income children, adults, elderly and disabled who rely on the Medicare and Medicaid programs. The Catholic health ministry is committed to its mission of providing quality care to everyone in our communities, and to using the resources we have for the greatest community benefit.
