## New Online Journal of Bioethics

The Institute of Catholic Bioethics at Saint Joseph's University, Philadelphia, has launched the *Internet Journal of Catholic Bioethics*. The goal of the journal is to publish high-quality medical-ethical research articles and interactive and multimedia content on the web. Students, researchers and practitioners may submit research articles, case studies, letters to the editor and multimedia materials such as videos or slide shows for consideration.

Check out the *Internet Journal of Catholic Bioethics* at [www.icbbioethics.com](http://www.icbbioethics.com)
