

Sister Water

~ ~ *A Prayer for Creation* ~ ~

*God, we thank you and give you praise for Sister Water.
We witness Water's power to shape earth's canyons and coastlines.
Water surrounds us with warmth and safety in our mother's womb.*

*Water blesses the earth with rain and sustains our life.
She cleanses and refreshes us, washing over us in gentle streams.*

*Water awes us with her beauty
as waves crash against rocks or gently roll onto the shore,
as she cascades down a waterfall
or blankets a mountain with a soft white cloak,
as she reflects the beauty of the sky and trees in her clear lakes
or shrouds a valley in an early morning mist.*

God, we thank you and give you praise for Sister Water.

Amen
