Peace Be with You

Become the Peace We Pray For—

God who is Peace, we invite you into this day wholly and without reservation, hands clasped in prayer that your peace may envelope us, carry us, hold us tenderly as we work to similarly embrace those who are charged to our care.

God who is Peace, we pray that each of our interactions this day may be guided by the embrace of your everlasting love, that every step, every word, every action may be peace.

God who is Peace, our prayer this day is that we may we become the peace we pray for, and that our peace can overwhelm the world.

In your name we pray, Amen.
