

## Of Interest

### ASSOCIATION FOR PRACTICAL AND PROFESSIONAL ETHICS

The Association for Practical and Professional Ethics encourages high quality interdisciplinary scholarship and teaching in practical and professional ethics by educators and practitioners who appreciate the theoretical and practical impacts of their subjects. The organization supports efforts of colleges and universities, centers, professional associations, and local, state, and national governments that seek to foster curricular development and scholarly research on ethical issues.

For information about programs, events and membership, visit <http://www.indiana.edu/~appe> in the *About Us* section.”

### M.A. IN HEALTH CARE ETHICS

The master’s program in health care ethics at Saint Joseph’s University is designed to prepare individuals for the complex and growing field of biomedical ethics. The program fosters a critical analysis of bioethical topics through the interplay between moral theory and medical practice.

For more information, visit [www.sju.edu/grad/hce](http://www.sju.edu/grad/hce) or contact the Program Director, Mark Aita, S.J., M.D. at 610-660-3427 or email [maita@sju.edu](mailto:maita@sju.edu).
