

Visit Hospital Sisters Mission Outreach June 1, 2026 | Departing from St. Louis or your location

Meet us in St. Louis a day ahead of the Catholic Health Assembly for a mission-centered global health experience that will change the way you think about the world and your ministry's role in it.

Join CHA colleagues for a guided visit to Hospital Sisters Mission Outreach, a ministry of Hospital Sisters Health that equips hospitals and clinics in more than 100 low- and middle-income countries with donated medical supplies and equipment from Catholic health systems across the U.S.

The Global Express Bus

Travel together to Springfield, Illinois, with a box lunch and facilitated learning on global health challenges and CHA initiatives.

- 11:15 a.m. Depart CHA offices 4455 Woodson Rd., St. Louis, MO
- 11:45 a.m. Depart Marriott (Assembly Hotel) 800 Washington Ave., St. Louis, MO
- The bus will return to St. Louis at approximately 6 p.m.

You Will Experience

- A behind-the-scenes warehouse tour showing how surplus medical equipment becomes life-saving care worldwide
- Insights into CHA's 2026 Global Health Priorities and the Church's global health focus
- Practical guidance to help your ministry identify 1–2 actionable global health opportunities for future planning
- The blessing of a 40' container of medical supplies bound for Sierra Leone

Why Attend

This experience is designed for system leaders seeking to:

- Align with the Church's and CHA's global health priorities
- Strengthen understanding of responsible medical donation and supply chain partnerships
- Identify concrete, mission-aligned global health actions for their ministry

Additional Highlights

- Brief insights from the World Telehealth Initiative and the Holy See's WASH in Health Care project
- Coffee reception featuring fair-trade coffee and tea
- Guided reflection and discernment on the return trip to St. Louis
