M.A. IN HEALTH CARE ETHICS

The master's program in health care ethics at Saint Joseph's University is designed to prepare individuals for the complex and growing field of biomedical ethics. The program fosters a critical analysis of bioethical topics through the interplay between moral theory and medical practice.

View a 30-minute audiovisual YouTube presentation at

<http://www.youtube.com/watch?v=BjIotYEzVnM> which describes the program in some detail.

The University also offers an online CERTIFICATE PROGRAM IN HEALTH CARE ETHICS

Saint Joseph's University launched a new online certificate program in health care ethics.
