Gun Violence as a Health Care Issue A Select Bibliography

Editor's Note: CHA is a member of the Faiths United to Prevent Gun Violence coalition, which is working through the interfaith community to enact common-sense gun control measures that would make our nation safer and reduce violence in our communities. Several CHA members and other Catholic organizations are also part of the coalition. The following resources provide helpful information about gun control for our readers.

Barry, Colleen L., McGinty, Emma E., Vernick, Jon S. and Daniel W. Webster. "After Newtown – Public Opinion on Gun Policy and Mental Illness." *New England Journal of Medicine* 368, no. 12 (March 21, 2013): 1077-81.
