

A photograph of a dirt path winding through a lush green forest. The sun is shining from the left, creating a bright glow and lens flare effect through the trees. The path leads into the distance, surrounded by tall trees and dense foliage. The overall atmosphere is peaceful and serene.

“See, I am doing something new!

Now it springs forth, do you not perceive it? In the wilderness I make a way, in the wasteland, rivers.”

(ISAIAH 43:19)
