

Finding God in Daily Life

“Today we cannot be satisfied simply with being aware of the problems faced by many of our brothers and sisters. It is not enough to offer broad reflections or engage in endless discussion, constantly repeating things everyone knows. We need to ‘de-naturalize’ extreme poverty, to stop seeing it as a statistic rather than a reality. Why? Because poverty has a face! It has the face of a child; it has the face of a family; it has the face of people, young and old.”
