Prayer for Spiritual Care Week 2017

O God of compassion
This Spiritual Care Week and always:
Bless those who bless the ones in transition,
And hold those who hold the stories of the hurting.

Embrace those who embrace the ones struggling for meaning,
Stand with those who stand with the haunted, the harmed, and the hungry,
And bring help to those who bring help to healing, in every form that healing can take.

Nurture an ever-deeper holiness in those who help others notice the holy,
So that the balm of Your accompaniment can be with those
Who are called to accompany Your people.
