LET US PRAY

God of mercy and faithfulness,  
Draw us into Your presence, and remind  
us that we are always safe with You. May  
we listen deeply to Your call.

Teach us to be attentive to others as You  
are with us: with courage to forgive,  
perseverance in hope, and boundless  
mercy extended to all.

May we offer ourselves fully in word,  
deed, and breath, O God, sharing your  
healing peace.

AMEN.
