

January 11 – National Human Trafficking Awareness Day

God of Deliverance, with a mighty hand you liberated your people from slavery in Egypt. We pray that you move powerfully for the deliverance of all children, women and men bound in slavery in our time. Restore to them the freedom in which they were created.

God of Action, give us uneasy/restless/anxious hearts, attentive to the plight of our brothers and sisters held in slavery. Move us to action and to use our resources for the liberation of others. Let our purchases promote justice for workers, our advocacy give witness to your goodness and our time be spent uplifting the dignity of the downtrodden. AMEN.
