

“The commandment of love that Jesus left to his disciples is also kept in our relationship with the sick. A society is all the more human to the degree that it cares effectively for its most frail and suffering members, in a spirit of fraternal love. Let us strive to achieve this goal so that no one will feel alone, excluded, or abandoned.”

Message of His Holiness Pope Francis for the 29th World Day of The Sick

Illness lays bare our human vulnerabilities, which is the exact place God meets us. Let us pray for God's healing presence in all the world's ailments.

For the sick and those impacted by coronavirus,
For those who share in the sufferings of the sick,
For those bound by injustice,
For our fragile environment,
For our own hardheartedness,
God of wholeness and hope, heal your people.

AMEN.
