

Sponsor Formation Program for Catholic Health Care

2022 – 2023

When the time for Pentecost was fulfilled, they were all in one place together. And suddenly there came from the sky a noise like a strong driving wind, and it filled the entire house in which they were. Then there appeared to them tongues as of fire, which parted and came to rest on each one of them. And they were all filled with the holy Spirit and began to speak in different tongues, as the Spirit enabled them to proclaim.

SPONSOR FORMATION PROGRAM
FOR CATHOLIC HEALTH CARE

CHA's Sponsor Formation Program for Catholic Health Care prepares individuals for service as members of Juridic Persons to carry out the health ministry of the Catholic Church.

In addition to a rich grounding in the theological and canonical principles that apply to all sponsorship models, CHA's formation program offers participants opportunities for spiritual development personally and as members of a community who share a deep commitment to advance Jesus' healing mission in the world today.

Comments from Recent Participants:

I always learn something through the group interaction. I am grateful for the table conversation, the total group engagement and the informal conversations during breaks.

Truly appreciated the update and refreshment these sessions afforded me even though I have been serving as a religious congregation sponsor for many years – moving to sponsorship in a PJP will be different and this prep is perfect.

I realized how much we, the assembly that gathered, had bonded over these 18 months. This particular session was helpful in summarizing and bringing us to closure, while encouraging us to continue ongoing formation.

This was a very important session both in terms of content and discussion. As a group, we are at a new place. Everyone contributed in discussions. Kudos to the CHA team for helping us to come to this point. I sensed some deep ownership and understanding of mission in participants' respective roles.

Overview

OBJECTIVE

To provide a formation program for current and prospective sponsors of Catholic health care.

LOCATION

The program takes place at the Eaglewood Resort & Spa in the Chicago area, conveniently located near the Chicago O'Hare Airport.

FORMAT

The program consists of a series of four sessions in the fall and spring. Each session begins on Thursday evening and ends on Saturday morning.

Gatherings focus on developing and enhancing critical competencies for sponsorship through a combination of reflection, participant involvement, group interaction and presentations by nationally recognized ministry leaders and speakers. In addition, preparatory and follow up materials allow for additional learning integration.

CRITERIA FOR PARTICIPATION

Participants in CHA's *Sponsor Formation Program for Catholic Health Care* are selected by a sponsoring organization that is a member of the Catholic Health Association. Current sponsors and persons deemed to have demonstrated potential for possible service as a sponsor receive priority consideration. Other leaders of Catholic health ministries who interface with sponsors will also be considered for the program.
